

**The Dean of the Faculty of Engineering
of the Czech University of Life Sciences (CZU Prague)**

announces the

APPLICATION PROCEDURE

**for Doctoral Study of the Academic Year 2023/2024 in the field of:
Engineering of Agricultural Technological Systems (EATS)**

Dissertation Topics of the above-named discipline can be found at the website of the Faculty of Engineering (FE).

The doctoral study is 4 years on-campus course, and the language of instruction is English.

Requirements:

- Graduates of a Master's Programme at FE, CZU Prague or another university with a similar orientation;
- **Submission of an application form including the following attachments: CV, List of Publications and University Diploma and Supplement.** For graduates of foreign universities, a diploma with nostrification including all copies of documents certified by a notary. The theme of the dissertation must be stated on the application;
- The applicant must attach to the application a proof of payment (the original receipt) of the **Registration Fee** in the amount 750 CZK (the equivalent of 30 EUR), address of the payee is CULS Prague, Kamýcká 129, 165 00 Praha 6, Suchbát;

Name of Bank: Ceska sporitelna, a.s., Budějovická 1518/13B, 140 00 Praha 4
Account Number: 500022222, bank code: 0800, variable symbol 3175000123,
constant symbol: 0179, specific symbol: 31900;
IBAN: CZ 38 0800 0000 0005 0002 2222, SWIFT: GIBACZPXXXX

- Upon accepting the applicant into the doctoral study, a contract will be signed concerning the payment of fees for study (without a signed contract, the decision on acceptance into the Ph.D. study is invalid). Ph.D. study fee per academic year at the Faculty of Engineering is 90.000 CZK (approx. 3750 EUR).

The applicant shall complete the application for doctoral study using the web application of the address <https://is.czu.cz/prihlaska/?lang=en>

The applicant, after sending the electronic application, shall submit the printed version with all the necessary attachments as stated above to Mrs Skrbková (skrbkova@tf.czu.cz), at the Science and Research Department of FE, CZU Prague.

The applicant to the Ph.D. The study shall sit for an oral entrance examination:

- In one foreign language: English
- of the above-named discipline and chosen dissertation topic.

Evaluation criteria:

	the minimum amount of points	the maximum amount of points
English language (0 to 5 pt.)	1	5
Specialised field related to the chosen discipline and topic (0 to 30 pt.)	15	30

The minimum total of points is 16.

The entrance examination will be held **individually**.

In case the applicant is not able to attend the Entrance Examination at CZU, an Entrance Examination may be passed at the Czech Embassy of the applicant's country of origin. This procedure will be arranged by the study coordinator and appropriate authority.

The above notification applies as an invitation to the entrance examination.

Applicants will be informed in writing via e-mail about their acceptance to/rejection of the Ph.D. study.

doc. Ing. Jiří Mašek, Ph.D.,
Dean of Faculty of Engineering

Prague, 21st of March 2023
